- Set a goal to read further or make fewer errors.
- Set weekly targets to monitor progress over time.
- Identify an end-of-year target for the number of words read per minute.

- Have the student sound out and repeat the word.
- Have the student go back and re-read the sentence.

### INVESTMENT STRATEGY

- Let students see their progress by having them graph their performance.
- Have students compare their first read-through to the next read-through.
